

Procurement of Engineering Services Firms considered “local” based on history of contracts

Although TDA no longer requires Grant Recipients to include a minimum number of “local” firms in the procurement process, many communities value information on administrative and engineering consulting firms that have CDBG experience within their local area or region. The follow list is provided as a courtesy to Grant Recipients and will be updated periodically.

<u>Name of Firm</u>	<u>Office Location</u>
AACOG	
Bury + Partners Holdings Inc	Austin
CCE, Ltd	Nacogdoches
Civil Design Services Inc DBA CDS/Muery Services	San Antonio
Garcia & Wright Consulting Engineers Inc	San Antonio
