The application procedures for the 2017 Rural Health Facility Capital Improvement Program (CIP) are included in this Application Guide. The application for the 2017 CIP is available at www.TexasAgriculture.gov. The procedures in this application guide supersede those published in all previous CIP application guides.

The deadline for all 2017 CIP applications is 5:00 p.m. C.T. on **February 15, 2017**. Applications will not be accepted after 5:00 p.m. on the final day of submission. Applicants will not be allowed to supplement the application after the application deadline. Application materials must be typed. Handwritten applications will NOT be accepted. It is the applicant’s responsibility to ensure the timely delivery of all required materials, including the proposal narrative and signed application.

Ensure the application is complete and signed. Only one application per applicant/facility is allowed.

Two (2) signed and completed copies (one-sided) of the application are required to be submitted: one with original signatures and one copy of the original. Applicants may either hand deliver a completed application (and copy) to State Office of Rural Health (SORH) staff or mail/ship the documents to the following:

For questions regarding submission of the application and/or TDA requirements, please contact the Texas State Office of Rural Health at (512) 463-0018, or by email at RuralHealth@TexasAgriculture.gov.
This application guide contains the requirements that all applicants are required to meet to be eligible for funding. Failure to conform to these requirements may result in the disqualification of the application. Each applicant is solely responsible for the preparation and submission of an application in accordance with the instructions in this application guide.

**Statement of Purpose**

The Rural Health Facility Capital Improvement Program (CIP) provides funding for rural public and non-profit hospitals to make capital improvements to existing facilities, construct new health facilities, or to purchase capital equipment.

**Eligible Applicants**

Eligible applicants for CIP include public and non-profit hospitals located in rural counties as defined in Section 487.301 of the Texas Government Code:

1. "Public hospital" - a general or special hospital licensed under Chapter 241, Texas Health and Safety Code, that is owned or operated by a municipality, county, municipality and county, hospital district, or hospital authority, and that performs inpatient and outpatient services.
2. "Rural County" - a county that has a population of 150,000 or less; or with respect to a county that has a population of more than 150,000 and contains a geographic area that is not delineated as urbanized by the federal census bureau, that part of the county that is not delineated as urbanized.

**Award Amount**

Award amounts shall not exceed $75,000.

**Match**

Applicants are required to commit to a 25% match to the amount of CIP funds requested. For example, an applicant must commit to a match of $18,750 if requesting $75,000 in CIP funding. Matching funds must be reflected within the application and must be associated with the same proposed project activities as the requested CIP funding.

**Eligible Uses of Grant Funds**

Allowable expenses include activities that further, or sustain, a hospital’s ability to provide healthcare. To include:

- Construction/improvement of a facility
- Acquisition of real property
- Purchase of equipment

Costs associated with the design, engineering, supervising, surveying, or other incidental expenses directly related to the activities described above are also eligible
costs. This may include information systems hardware and software for a health facility, as well.

NOTE: Each application must include documentation supporting the cost associated with project activities.

CIP funds are to be utilized specifically as proposed by an applicant within their application, if awarded. CIP funds shall not be utilized to reimburse an applicant for operating expenses, debt retirement, or recruitment/retention of providers.

**Commitment of Key Personnel**

To ensure the success of the project, key personnel directly impacted by the project must be included and involved with the planning and development of the project. Their involvement is a must to ensure the project is effectively implemented, that it will meet the identified needs, and also guarantee its sustainability. For example, if an applicant has applied for funding to purchase infant warmers, the head of the nursery department would be consulted to certify the need of the equipment and its prolonged use.

Applicants are recommended to attach letters of support from key personnel that express the need of the project and their support.

**Responsibilities and Accountability of a Grantee**

If awarded, all grantees must comply with all guidelines and requirements of the CIP program, including compliance with all reporting requirements. Grantees are responsible for the administrative/financial control and management of the grant award. Grantees must ensure they have an adequate accounting system in place and acceptable internal controls to ensure expenditures and reimbursements are reported and maintained for a minimum of three (3) years after the conclusion of the project.

Grantees have full responsibility for the conduct of the project and for the results achieved. Each grantee shall monitor the day-to-day performance of the grant project to assure adherence to statutes, regulations, and grant terms and conditions. Grantees shall carry out the activities described in their scope of work to achieve project goals, objectives, and desired outcomes. Grantees will be accountable for all grant funds and must ensure all funds are used solely for authorized and eligible purposes. Each grantee must ensure:

- Funds are used only for activities covered by the approved project.
- Funds are not used in violation of the restrictions and prohibitions of applicable statutes.
- All budget and performance reports are completed in a timely manner.

**Reporting Requirement**

*Project Completion Report (PCR)*

Grantees are required to submit a project completion report at the end of the project reflecting the status of the project. Copies of invoices, purchase orders, canceled checks,
bank statements, etc. related to the project must be submitted along with the completion report before grant funds will be released.

SORH staff reserves the right to request any and all documentation necessary to ensure compliance with program rules and regulations.

**Reimbursement Procedures**

Grantees shall receive funding on a cost-reimbursement basis. Once submitted, the PCR shall be reviewed and grant funds will be disbursed.

**Annual Inventory of Property Report**

Grantees that utilize funds to purchase equipment (non-expendable property with a unit cost of more than $5,000 and a useful life of more than one year) shall be required to maintain an inventory list of items purchased with grant funds detailing the item’s location and condition and shall be made available to TDA upon request.

**Costs Incurred Prior to Grant Award**

TDA is not liable for any costs incurred by the applicant prior to the grant award term.
Execution of Contract

TDA shall determine the final funding amount and terms of a CIP award. TDA reserves the right to fund projects fully or partially and to negotiate individual elements included within an application. Contingent upon available funds, the selected applicant may be requested to submit a revised project budget and project narrative. Selected applicants will receive a Notice of Grant Award (NGA) letter and an official Grant Agreement from TDA. The NGA is not legally binding until a grant agreement is fully executed.

False Information on Applications

If the applicant provides false information in an application that has the effect of increasing the applicant’s competitive advantage, staff shall make a recommendation for action to the Director of the SORH.

Actions that the Director may make include, but are not limited to:
1. Disqualification of the application.
2. Even if an award has been made, the applicant may be liable for funds expended if adjustment to the scores would have resulted in a change in rankings for the purposes of funding.
3. Holding the applicant ineligible to apply for CIP funding for a period of (2) program years.

An applicant may request reconsideration of a decision of the SORH Director by filing a written request for reconsideration with the Administrator of the Office of Rural Affairs. The written request should include the factual and legal basis supporting the request for reconsideration, along with supporting documentation. The Administrator shall make a written determination on applicant’s request for reconsideration within sixty days of TDA’s receipt of the request for reconsideration.

APPLICATION INSTRUCTIONS

The following instructions will assist and offer guidance to the applicant in completing the differing forms of the application for submittal.

Cover Sheet: Enter the applicant’s name in the space provided.

Application Checklist: Carefully read the list of required attachments and application forms, checking off each completed item. This minimizes the likelihood of serious deficiencies or disqualification.

Application Information: Provide all of the following information concerning the applicant:
- Legal Business Name
- Physical Address
- Mailing Address (if different from above)
- Email address
- Phone number and alternate phone number, if applicable
- Federal Tax ID Number
- Indicate whether the applicant is delinquent on any federal debt
- Indicate the type of hospital that is applying for funding

Contact Personnel: Provide the following information for the Project Director (the person designated to answer questions about the project/application) and the Authorized Official (the person authorized to enter into legal agreements on behalf of the applicant):
- Full name
- Title (within the organization)
- Email address
- Phone number and alternate phone number, if applicable

Certifications: Before signing and dating the Certifications page, the Authorized Official should carefully read all of the terms and notices. The signature of the Authorized Official will acknowledge the applicant’s agreement (and future compliance) with all terms.

Project Narrative: Complete and respond to all of the sections within the Project Narrative. Do not leave any field blank.
- Project Summary: Provide a brief overview that explains the type and purpose of the project, the proposed activities that will occur during the project, the need and the beneficiaries of the project, and the estimated total project cost including state and matching funds.
- Problem(s) and/or Need(s): Provide the detailed description of the problem and need that is to be addressed by the project.
- Project Description: Provide the detailed description of the proposed solution to the stated problem or need.
- Project Commitment: Provide a detailed list of all hospital personnel who will be directly involved in the implementation the project, their role, and commitment to the project.

Budget Summary: Complete the Budget Summary table to reflect the breakdown of costs of the proposed project. Ensure that all costs associated with the project (CIP funding and match, as well) are appropriately entered into the correct type of activity and that all rows and columns are totaled accurately.
Budget Narrative & Justification: Provide clear, detailed information for each of the budget categories listed below. The budget narrative and justification should contain a detailed explanation of the equipment, non-medical services, patient transportation, and/or construction that will be funded during the project term. The total estimated expenditures showing the amount of CIP funds and Matching Funds that will be used to fund the category should be included in each category. Vendor quotes, equipment brochures, and contractor estimates MUST be included in an attachment section.

Additional Project Funding: If the applicant has applied for other funding for the same project proposed in this CIP application, provide the name of the Agency to which the application was submitted, the name of the funding (grant) program, and the date it was submitted.

Hospital and Community Information: Applicant must answer all of the questions regarding the hospital on whose behalf the application is being submitted and the community in which it is located.

Attachments: Applicant must attach and submit with the application:
- Supporting Documentation of Project Costs (equipment/construction quotes, estimates, etc. (required)
- Financial Documentation (required)
- Commitment Letters from Key Personnel (recommended)
Right to Amend or Terminate Program

TDA reserves the right to alter, amend, or clarify any provisions, terms, or conditions of this program or any grant awarded as a result thereof, or to terminate this program at any time prior to the execution of an agreement, if TDA deems any such action to be in the best interest of TDA and of the State of Texas. The decision of TDA will be administratively final in this regard.

Proprietary Information/Public Information

The applicant is responsible for clearly designating any portion of the application that contains proprietary or trade secret information and must state the reason(s) the information is designated as such. Merely making a blanket claim the entire application is protected from disclosure because it contains proprietary or trade secret information is not acceptable, and shall make the entire application subject to release under the Texas Public Information Act. In the event that a public information request for the application is received, TDA shall process such request in accordance with Section 552.305 of the Texas Government Code. Applicants are advised to consult with their legal counsel regarding disclosure issues and to take appropriate precautions to safeguard trade secrets or any other proprietary information.

All applications submitted under this program are subject to release as public information, unless the application or specific parts of any such application can be shown to be exempt from disclosure under the Texas Public Information Act, Chapter 552 of the Government Code.

Conflict of Interest

The applicant is required to disclose any existing or potential conflicts of interest relative to this grant program. Failure to disclose any such relationship may result in the applicant’s disqualification or termination of agreement.

General Compliance Information

1. Grantees must comply with TDA’s reporting requirements and financial procedures outlined in the grant agreement. Any delegation by the Grantee to a subcontractor regarding any duties and responsibilities imposed by the grant award must be approved in advance by TDA and shall not relieve the Grantee of its responsibilities to TDA for their performance.
2. All grant awards are subject to the availability of funds appropriated and authorized by the Texas Legislature.
3. Grantees must remain in full compliance with applicable state and federal laws and regulations. Non-compliance may result in termination of the grant or ineligibility for reimbursement of expenses.
4. Grantees must keep separate records and a bookkeeping account (with a complete record of all expenditures) for a project. Records shall be maintained for a minimum of three (3) years after the completion of the project, or as
otherwise agreed upon with TDA. If any litigation, claim, negotiation, audit or other action is initiated prior to the expiration of the three-year retention period, then all records and accounts must be retained until their destruction is authorized by TDA. TDA and the Texas State Auditor’s Office (SAO), or any successor agency, reserve the right to examine all books, documents, records, and accounts relating to the project, including all electronic records, at any time throughout the duration of the agreement until all litigation, claims, negotiations, audits or other action pertaining to a grant is resolved, or until the expiration of the three-year retention period, whichever is longer. TDA and the SAO, or any successor agency, shall have access to: all electronic data or records pertaining to the grant project; the physical location where records are stored; and all locations related to project activities.

5. If the Grantee has a financial audit performed during the time the Grantee is receiving funds from TDA, upon request, TDA shall have access to information about the audit, including the audit transmittal letter, management letter, any schedules, and the final report or result of such audit.
