Re: Extension of Wildfire Response – Waiver for Motor Carriers

Dear Chairwoman Delisi:

On July 21, 2009, I issued a waiver of oversize/overweight permitting requirements and fees, hours of service limitations, and other specified registration requirements, for motor carriers involved in disaster response or economic recovery efforts related to wildfires. Such waiver is hereby extended and shall remain in effect until October 12, 2009, unless extended or repealed.

Thank you for your cooperation.

Sincerely,
