

Certified Prescribed Burn Managers Training

Wednesday, October 21, 2015 / Hilton College Station
801 University Drive East, College Station, TX 77340
Time: 1:30pm – 4:30pm

About the Program

The program will provide continuing education for Certified Prescribed Burn Managers. Ray Hinnant, AgriLife Research senior research associate, Academy for Ranch Management in College Station, will present a better understanding of best practices and practical guidance. There will be ample time for discussion and questions.

Topics

- Smoke Management
- Rules & Regulations
- Safety
- A brief Burn Board update and TBMC meeting will follow the training

Who Should Attend?

Certified prescribed burn managers who need to fulfill CEU training for 2015.

Continuing Education Credits

3.0 hours CFT

Full attendance is mandatory in order to receive credit.
