How to Reset Password and/or Look Up Username

Navigate to the Login Page by clicking the link or by copy pasting the URL: https://tda-go.intelligrants.com/

Click “Login Assistance”

If you forgot your password, enter your username and email then click “Email”.

The system will generate a temporary password that you will use to login. You will then be prompted to create a new password.

If you forgot your username, click “Forgot Username”, enter your email address then click “Email”.

If you have an account in TDA-GO, you will receive an email with your username.
