

Default Project Priorities

Pursuant to 4 TAC §30.50 (f) (3) (A) - For any region for which no project priorities are submitted, applications will be scored according to the priorities identified below:

Methodology: Table 1 will be reviewed to determine the appropriate project type category based on TxCDBG funds requested and points will be assigned.

Projects that include multiple priority levels must be prorated based on the percentage of all TxCDBG dollars. First, subtract TxCDBG funds allocated to administration. Based on the figure calculated, a percentage of the TxCDBG dollars for each activity is calculated. Then, the percentage of the total TxCDBG funds for each activity is then multiplied by the appropriate score and the sum of those calculations determines the score.

Project Types	Points
Water Improvements, Wastewater Improvements, Street Improvements, Flood and Drainage Improvements, and Housing Rehabilitation	50 Points
All other eligible project types	30 Points
